Your calendar is relatively open after 2 p.m. on Tuesday, March 11. We could fly you into STL on the 11th and return on the first flight to KC on March 12th – arriving in time for the LMF.

Your thoughts?

Thank you,
Julie

Julie,

We are targeting Tuesday, March 11, 2014, for the West Lake Public Landfill site public meeting. The date is still tentative, pending confirmation from the city which will hopefully come tomorrow. The wait is to ensure that we can use the facility free of charge. The mayor of Florissant is out of the office until tomorrow.

The tentative plan is for the meeting to last from 5:00 p.m. to 9:00 p.m., in two rooms at the James J. Eagan community center. The gym will be used from 6:30-8:00 for the presentation and question and answer session. In a separate room, a public availability session will be set up to run the entire time, and concurrently during the presentation.

Facility location: James J. Eagan Center, 1 James J. Eagan Drive, Florissant, Mo.

Please let me know if you have any additional questions.
